STAFF REPORT: Florence Crittenton Home of Seattle – 9236 Renton Avenue S

Staff Recommendation

Staff does not recommend nomination of the Florence Crittenton Home of Seattle at 9236 Renton Avenue S as it does not appear to meet any of the designation standards, and may not have the ability to convey significance due to a number of alterations.

The Landmarks Board Coordinator acknowledges the cultural history associated with the property, but believes this may not be embodied in the buildings. The main building has had numerous alterations. This assessment was informed by a site visit and thorough review of the entire property on October 13, 2020.

Approval of Nomination

If approved, a public meeting would be set for 30-60 days from nomination to consider the designation. During this time, the Board and staff may amend the nomination form. From the time of nomination, Subchapter VI of SMC 25.12 shall apply. This section requires a Certificate of Approval for alterations or significant changes to the features proposed for preservation. Following Board approval of the nomination (or designation) the owner may give written notice of a desire to confer and consult with the Board and Board staff to reach agreement on specific features to be preserved and methods to achieve such preservation. A timetable is established by Board, Board staff and the Owner. This written request by the Owner is the only procedure which may alter the time requirements or the public meeting on designation.

Disapproval of Nomination

If the Board fails to approve the nomination, no new proceeding may be commenced for a period of 5 years without the written agreement of the Owner.

Deferral of Consideration

The Board may defer consideration. Adequate notice should be given to all parties about when the matter is to be reconsidered. Once nominated, the Board must follow the procedures of SMC 25.12 and approve or disapprove the designation.
